

Yellow Sunshine's November News

Look what we've learned!

This October was one to remember. We had fun making spider hands and ghost feet. We worked on the colors black, white, orange and purple. We collaged with the color purple on hats. We made soft white ghost and bumpy black bats. We also enjoyed making puffy orange pumpkins. All of these activities also focused on our five senses! Our nursery rhymes for this month were *Peter, Peter Pumpkin Eater* and *Little Miss Muffet*. We had lots of fun naming different things that Peter can eat. We also loved playing with spiders in shaving cream. Last month our motor skill was balance. We had fun walking on a line of leaves and played with the balance tree. We have also been working on self-awareness. We talked about feelings and we read *I Feel Silly Today*. October was fun. We can't wait for next month!

What we are learning...

For the month of November we will be exploring seasons, families and fall harvest. We are asking everyone to make sure your family collage is turned in. We will be doing many activities with them. We will also be hard at work learning the first letter of our first name. Our letters for the month will be Ff, Gg, Hh, Ii and Jj. We will be working on incorporating these into our activities like finding letters in rice, finding letters on the board and naming words that start with each letter. The nursery rhyme that we will be learning is *Rain, Rain Go Away*. We also have some fun activities that focus on shapes for the upcoming month. Keep an eye out for our share jar. This jar will be located by the sign in/out book. Every time a child is sharing their name and what they did will be placed in the jar for parents to read.

SUNSHINE'S BOOK CLUB

OUR LATEST FAVORITE TITLES ARE....

Mouse First Fall

Fall Leaves Fall

Wee Witches Halloween

5 Little Pumpkins

A Big High Five to...
