

BLUE BIRD DECEMBER NEWSLETTER

Look what we've learned!

In the month of November we learned so many new things! We continued learning our ZooPhonics F-J by going over their sounds and animal signals. We also practiced tracing our letters, name and shapes. We worked on sorting, classifying and matching through a number of games. Our Blue Bird teachers worked hard with the children on how to properly use scissors and on how to hold a pencil correctly. We also had show and tell where the children brought in a picture of their family and got to show all their friends the people in their family. Also, we had our Thanksgiving feast that the children really enjoyed! We are now looking forward to the fun month of December!

What we are learning...

For the month of December our themes will be; "Winter Celebration" and "Winter Fun". We will be using "real snow" in our sensory table to help with our small motor skills. Some fun activities planned for this month are to make lifelike snowflakes, stuffy candy canes, stockings, and much more! We will be working on our letters K-N by tracing and learning our Zoo Phonics. We will be talking about sharing and how everyone, no matter how different is special in their own way. We will also be learning about opposites and what the weather is like during winter. Our month will be packed with many activities and our Blue Birds are ready!

Superstars!

- Welcome Sebastian Forbes and Huri Cruz to our Blue Bird class!
- Good job to Joseph Hernandez, Nicole Denham and Vaidik with learning their colors.
- Also, a great job to Keegan McLaughlin and Chloe Gens for working extra hard on tracing.
- Blue Birds keep up the good work!

- Please bring a jacket everyday.
- Always have extra clothes in cubby.

Thanks

- A special thank you to all parents who helped during our Thanksgiving Feast. It went very smoothly with all your help!
- Thanks to the McLaughlin family for always donating items to our classroom.
- Thank you to all the families who participated in our cookie dough fundraiser.
