

# RED DECEMBER

# ROBIN NEWSLETTER

## Look what we've learned!

We have had an excellent month! We celebrated the USA and a lot of the children were able to tell us the city they live in! We really worked hard on learning the pledge of allegiance also. We talked about families and shared things that we love to do with them. A lot of our class loves to play soccer and go to the park. We learned about being thankful during Thanksgiving week and had a delicious feast that everyone loved. Our final week was transportation and we learned about all the different ways we can travel and how to be safe when crossing the street!

What we are learning...

During December we will focus on our sharing skills, and sequencing, making patterns and learning about opposites. We are pleased to say that our class has really made big improvements with their sharing and cooperations skills. Great Job guys!

## Superstars!
