

Infants & Toddlers January News

Look what we've learned!

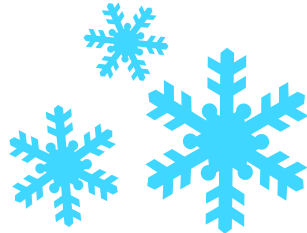

Make sure to take a look at our individualized weekly lesson plans posted in the classroom. Carter attempts to get on all fours. Warren is trying to stand on his own. Sybeth has been walking more with no help. Donovin is doing good on sitting up with no support. Maleah is now speaking two word sentences. Isiavia can jump up and down on two feet. Aiden is getting better at using utensils.

A Sneak Peak at our weeks ahead

Carter will work on pulling himself up. Warren will practice taking steps with help. Sybeth will continue to practice walking with on her own. Donovin will work on entertaining himself and enjoying the toys. Maleah will work on pointing at and identifying simple body parts. Aiden will continue practicing eating with utensils.

Miss Alex will be going on maternity leave beginning on January 26th. We have found a fantastic teacher to fill in during her absence. Her name is Miss Cassie and we know you will find her kind, nurturing and knowledgeable.

MANY THANKS!

We want to express our appreciation to all the parents who brought food for our Christmas feast. The kids loved it!
