

## Adventures In Learning - Orange

### Look what we've learned!

In the month of December we learned about winter and celebrations around the world. We sorted and matched colors, shapes, numbers and the letters A-G with flannel peices and games. We created a lot of art with different textures. We had a lot of fun creating Holiday Art and a special gift for our parents.

### What we are learning...

For the month of January we will be learning about transportation and our neighborhood. We will work on the color white, shape Oval and circle, numbers 1-10, and letters A-I. Other focus skills this month are:

**Language & Liturature:** Recognizing and naming body parts

**Nursery Ryhme:** Jack be Nimble

**Social/Emotional Skills:** Cooperation, kindness and caring

**Cognitive Development:** Counting 1-10, postional and directional concepts (over/under and big/small)

**Motor Skills:** Pedaling a tricycle, hand, finger coordination

**Sensory:** Dumping and pouring, textures/touch, sounds, and taste
