

BLUE BIRD JANUARY NEWSLETTER

Look what we've learned!

In the month of December we had so many fun activities! We made a lot of winter activities such as a christmas tree, wreath, candy canes, and much more! We worked on learning about diversity and how sharing is important. We also worked on sequencing and patterning by using colored bears and blocks. For our Physical Motor skills we practiced how to draw a person. We worked on our Zoophonics letters K-N. Overall, we enjoyed all our fun packed activities. We are ready for our new year.

- We will need two parent volunteers for our Valentine snack party on Friday, February 12th. Our party will begin at 9am and end at 10am please see Ms Darcie or Ms Jeanette if you are interested.

- A special thank you to all parents who brought an item to our Holiday Feast.

Thanks

What we are learning...

For the month of January our themes will be "Our Community", "Weird Science" and "Weather". Our letter letters for the month are O-R. Some activities planned are making a daily weather chart and searching for "weird insects". We will be talking about stranger danger. We will also be practicing our graphing and measuring our own bodies. So many things to do but our Blue Birds are ready!

Birthdays & Special Days

- January 23rd- Happy Birthday Sebastian!

Superstars!

- Welcome Hannah, Tashu and Dimitar to our Blue Bird class!

- Great Job to Matias, Hannah and Meagan for knowing all their colors and shapes!
- Good Job to Chloe, Keegan and

DATES TO REMEMBER
