

YELLOW JANUARY

SUNSHINES NEWSLETTER

Look what we've learned!

This month went by in the blink of an eye.

We had so much fun! We worked on following one to two step directions by playing snowman, snowman. We also worked on sorting and matching snowflakes and trees. We also worked on counting from 1-10. We focused on sounds. We listened to different sounds around the room and playground. Taste was another sensory activity we did by exploring our lunch for sweet and salty items. Our sunshines worked really hard on cooperation and awareness of others. Our sunshines worked together building a snowman. They have been doing really well working together cleaning up the room. The sunshines had a blast playing red light, green light on the tricycles. This whole month was packed with fun, exploration and adventure.

What we are learning...

I can't wait to ring in another year. This month is filled with excitement. We will be learning the nursery rhymes Higglety, Pigglety Pop and Jack be Nimble. We will also be looking at words that start with O, P, Q, R and working on recognizing these letters. This month we will be focusing on Transportation and Our Neighborhood. We will be doing a lot of activities with touch, sound, dumping and pouring. We will be looking at the different textures of a car or truck. We will be listening to the different sounds objects that go make. The sunshines will also be working on counting from 1 to 10, positional and directional concepts like over/under and small/big. In the upcoming month we will be playing red light, green light and fast and slow to help us practice pedaling. We have a lot planned. I can't wait to jump right in.

Superstars!

- A big high five to Victoria Adams who is

on her way to be potty trained.

- A big welcome to Jandell and Chloe to our Yellow Sunshine class.
- A big high five to Christian for being such a good friend to others.

Sunshines Book Club

Our latest favorite titles are:

- If you give a mouse a cookie
- If you take a mouse to the movies
- How to build a snowman

- Bring a jacket
- Always have extra clothes in cubby

Thanks

- A big thank you to all the families who brought an item to our Holiday Feast.
- We would also like to thank Tara Kline for helping with our Holiday Feast.

Birthdays & Special Days
