

# YELLOW SUNSHINES FEBRUARY NEWSLETTER

## Look what we've learned!

In the month of January we learned the color white, letters A-I, numbers 1-5, and the shapes Oval and Circle. We learned about transportation and things that go, what is in our neighborhood, and opposites. Our favorite thing we like to do is going under the parachute. All the children worked hard pedaling the bikes - we can all pedal the bikes now!

## What we are learning...

For the month of February we will be learning about friendship and love, colors, shapes and numbers, and the letters A-K. We will be creating lots of different things with hearts, making shapes, colors, and number books. Other focus skills this month are:

**Language & Literature:** Practice saying first and last name

**Nursery Rhyme:** Jack be Nimble

**Social/Emotional Skills:** Kindness and caring, self awareness

**Cognitive Development:** Recognizing body parts

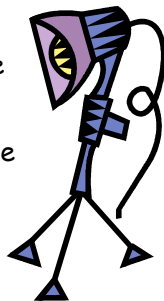

**Motor Skills:** Hand/Finger coordination, self help skills

**Sensory:** Smell, cooking, dumping and pouring

## Superstars!
