

BLUE BIRDS FEBRUARY NEWSLETTER

Look what we've learned!

In the month of January, our Blue Birds talked about stranger danger, weather and community helpers. We reviewed letters Aa - Qq and really worked on our numbers 1-10. We made fun art activities, such as, pasta collaging, cotton ball and Q-tip painting. We used money to help us count our numbers. To practice our alphabet we reviewed our zoo phonics and worked on tracing our letters. We used shaving cream and salt to help us make tracing more fun. We can't wait for the month of February!

What we are learning...

For the month of February our themes will be "Love and Friendship". During post office week your child will draw a picture and mail it to you. Please bring in a self addressed envelope with a stamp on it for this activity by Monday, February 8th. We will be giving Valentines to our friends at our Valentines Day party. We will learn about famous people and what they did and when their birthday is. We will count and work on recognizing different numbers. We will learn a lot this month!
