

# RED FEBRUARY

# ROBIN NEWSLETTER

## Look what we've learned!

What a great start to 2010! We have been working really hard this past month on writing and identifying letters, there has been so many improvements and successes with that. Great job! The class has been doing really well with cutting, matching shapes, identifying numbers and treating class toys and books with care. We focused on people in our community and how they help us every day. A lot of our boys want to be police officers when they grow up! We practiced counting with money and played "store" in our housekeeping center. We also practiced graphing and measuring. We had graphs on our wall for height, eye color, shoe size and hair color. The children enjoyed being measured and comparing hair color with each other. We emphasized the importance of stranger awareness and had discussions and read books to strengthen that topic.

## What we are learning...

During the month of February we will focus on rhyming words, identifying birthdays, recognizing colors, shapes numbers and state symbols. For science we will experiment with cause and effect and magnets. Our themes are "Love & Friendship", "Post Office & Valentines", "Famous people/Birthdays" and "Numbers". Our ZooPhonics letter for the month are Ss, Tt, Uu and Vv. During post office week we will be visited by the mail carrier who will give a presentation for the class and take our mail that will be sent to our house.
