

BLUE BIRDS MARCH NEWSLETTER

Adventures In Learning - Tustin

Look what we've learned!

In the month of February the Blue Birds learned about "Love and Friendship", "Post Office and Valentines Day", "Famous People and Birthdays" as well as a week all about "Numbers". Sharing and kindness was an important social skill we focused on last month. The letters they worked on were: S, T, U and V. We experimented with magnets by marble painting with them. We sorted colors by using the color bears. We also had our Valentine's Day party that went great! Overall, we enjoyed learning about new and interesting things. Our Blue Birds are ready for what's ahead.

What we are learning...

For the month of March our themes will be: "Nursery Rhymes and Dr. Seuss", "Pets", "Leprechauns" and "Multicultural Week". The children will be learning the letters W, X, Y and Z by writing them in salt, pasta and collaging. Our Blue Birds will learn the concept of cooperation and teamwork by practicing working together as a team on various projects as well as through games and activities. Some fun activities planned for this month are; making a rainbow, putting together humpty dumpty, creating a Dr. Seuss hat and much more!! We will also practice how to draw human figures.
