

YELLOW SUNSHINES MARCH NEWSLETTER

Adventures In Learning - Tustin

Look what we've learned!

February has been such an adventure for our sunshines. We had a blast learning about colors, shapes and numbers. The nursery rhymes for the month were *Jack Be Nimble* and *Hickory Dickory Dock*. We had a lot of fun learning about up and down by playing games like: Which Way is Which and Where is the Mouse. We have also been working really hard on learning our first letter of a name. Everyone has done such a great job. We have also had a lot of fun learning words that start with U, V and W. Over the past month we have been learning colors, shapes and counting 1-10. The week that we focused on colors we had a lot of fun activities like: Match the Crayon With the Object, Find the Color and What Color House is the Mouse Under. We also had fun with shapes. We also made a collage of items we found that were circles and squares. Our sunshines have also been working really hard on their selfhelp skills like lining up, one at a time, and wiping their nose and washing hands. For such a short month we have learned so much and had a bunch of fun.

What we are learning...

The month of March has come so fast but it is filled with so many fun activities. We will be learning about big animals and small animals. We will also be focusing on the letters W, X, Y and Z. We will be looking for words that start with these letters and hearing the sounds that they make. Our nursery rhymes for the month will be *One, Two, Three, Four*. We will also be working on recognizing body parts by playing *Head, Shoulders, Knees and Toes* and *The Hand Chant*. We will also play *That's My Color* and *Name the Color of Your Shirt*. For the month of March will be working on sound, texture, touch and cooking. Our sunshines will be working on balance as well by playing games like: *Hoping On Lilly Pads* and *The Balance Tree*. I hope this month is as exciting as I've planned.

Superstars!

- High five to Azucena for learning the first letter of her first and last name.
- A big high five to Sally, Victoria and Michael on recognizing colors.
- A big high five to Christian, Azucena and Dalton for learning the city that they live in.
- A big welcome to Sneha, Ivan and Justin. Welcome to the sunshine classroom!

Sunshines Book Club Our latest favorite titles are:

- *Hide and seek colors*
- *Caterpillar Dance*
- *Skippy Jon Jones shape up*
- *Little shapes*

- Make sure that your child always comes with a jacket.
- Be sure to pack utensils in your child's lunchbox.
- Hot lunch orders and payments for April need to be made by March 18th. Ordering the schools hot lunch can save you time and money! If you would like to try hot lunch for your child, stop by the office for a sample menu.
