

YELLOW SUNSHINES FEBRUARY NEWSLETTER

Look what we've learned!

In the month of January we learned the color white, letters A-S, and numbers 1-10.

We learned about transportation and things that go, what is in our neighborhood, and opposites. Our favorite activity we like to play is when we go under the parachute. We made a rocket-ship on the climber and had fun with the rocket balloons. We also made a bus with chairs and pretended to be on a field trip. All the children worked hard pedaling the bikes. We had fun tasting sweet and sour items and hot and cold items. Their favorite were the Popsicles and the hot chocolate.

What we are learning...

For the month of February we will be learning about Friendship and love, colors, shapes, and the letters A-W. We will be creating lots of different messy creative arts with hearts, making shapes, colors, and number books. We will also be making a special card for a loved one. Other focus skills this month are:

Language & Literature: Practice saying first and last name and recognize 1st letter in first name.

Nursery Rhyme: Jack be Nimble and Hickory Dickory Dock.

Social/Emotional Skills: Kindness and caring, self awareness

Cognitive Development: Recognizing body parts, positional and directional concepts - over/under, big/small, etc.

Motor Skills: Hand/Finger coordination - pincer grasp, self help skills

Sensory: Smell, taste, cooking, dumping and pouring
