

YELLOW SUNSHINES CLASS NEWS

FEBRUARY

Look what we've learned!

This month was a bunch of fun. We learned a lot of cute songs to go with the theme Transportation and My Neighborhood. We also focused on counting from 1-10 and positional and directional concepts. We had fun making an obstacle course and sorting by size. We have been working hard on learning our last names. Almost everyone can say their last name. Our Sunshines are also getting better at the letter sounds. We are working really hard at mastering pouring milk and juice into a cup. They are doing well with using two fingers to pick up snack and objects. The Sunshines have come a long way from September with cooperation skills.

What we are learning...

We will be working on:

- Our themes will be Love and Friendship and Colors, Shapes and Numbers.
- Letters and sounds S-W
- Learning last name and first letter of last name.
- Jack be nimble will help us learn the concepts small and big & over and under.
- Introduce a new nursery rhyme, Hickory Dickory Dock.
- Reviewing body parts to insure we have mastered this area.
- Working on self help skills.

- A special thank you to our mommies and daddies for helping us learn how to potty train like big kids.

- Parent volunteer is needed for our Valentines Day party on Monday, February 14th from 9:00am-10:00am. Come see Miss Crystal for details.
