

YELLOW SUNSHINES MARCH NEWSLETTER

Look what we've learned!

In the month of February, the Yellow Sunshines learned about Friendship and Love, Colors, Shapes and Numbers, and letters S-W. The children had fun making a book of shapes and numbers. During the Month, the Yellow Sunshines created art by experimenting with colors, making a heart poem for their parents, heart collages, and painted hearts. The children also made Valentine bags, so their friends can pass out their Valentine's to each other. On Valentine's Day, friendships were celebrated and they had a special snack. Making things we can eat or drink are always a blast! The Yellow Sunshines made pudding in a bag and Kool-Aid. Finally, all of the Sunshines are working very hard on the potty. :)

What we are learning...

For the month of March, the Yellow Sunshines will be learning about Colors, shapes, numbers, big animals, and small animals. We will also review all our colors, shapes, numbers 1-5, life on a farm, and letters W-Z and review A and B. We will also celebrate Multicultural Week and invite our families to come and share a little bit about their culture. Your family can share pictures, food, clothing, music, toys, and anything else that represents your culture. The Yellow Sunshines will be celebrating Dr. Suess' Birthday by having a pajama day and reading some of our favorite Dr. Suess books. Vons and Ms. Carol will read to the children and provide a special snack for National Children's Day. The children will also be creating lots of green art to decorate our classroom for St. Patrick's Day and their homes. There will be a St. Patrick's Day Party on Thursday, March 17th and the children will be searching for gold coins. Other focus skills this month are:
Language & Literature: Recognize 1st letters in first name, listen to and follow 1-2 step direction.

Nursery Rhyme: Hickory Dickory Dock and One, Two, Three, Four.

Social/Emotional Skills: Self awareness/sharing

Cognitive Development: Recognizing body parts and colors.

Motor Skills: Self help skills, balance, walking on line, up/down stairs, and balance beam.

Sensory: Taste, sound, texture/touch, cooking

Superstars!

- Welcome to our new Sunshine Hussain.
