

RED ROBINS CLASSROOM NEWS

APRIL

Adventures In Learning of Tustin

Look what we've learned!

For the month of March of our themes were Pets, Leprechauns and Rainbows, Multicultural Week and Small Animals. For Pet week our Red Robins went on a fieldtrip to PETCO! The children saw guinea pigs, hamsters, parakeets, snakes, fish and much more! Some Red Robins were so brave and even got to pet a real snake! We also enjoyed our St. Patrick's Day snack party. Mr. Lucky Leprechaun visited our room and made a mess! We learned to write our letters Xx-Zz. Some fun crafts we made were a leprechaun trail, making the letter Yy with yarn and cereal rainbows. We are ready for April.

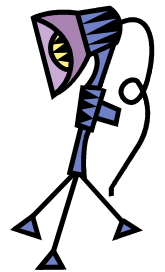

What we are learning...

For the month of April our themes will be; Life on a Farm, Nature and Our Environment, Plants and Growing Things. We will be reviewing our letters Cc-Jj. We will be working on respecting our friends and property. Some fun activities planned for April are to grow our very own plant! We will plant a seed and take care of it. We will watch it grow and talk about the progress of growing things. We will also be making our very own picture of a farm animal and talking about how life on a farm is.

Superstars!

We would like to say "good job" to Andre for being able to write his name. Also to Lyndin and Ryan for knowing all their shapes. Keep up the good work.

We would like to thank Jeremy Meyers and Jackie Martinez, for volunteering during our PETCO fieldtrip. Also, thanks to Mrs. Tina's mom for all the help!

RED ROBINS CLASSROOM NEWS APRIL

Adventures In Learning of Tustin

- We will be having a spring snack party on Friday, April 22nd from 9:00am-10:00am. Party sign up will be posted by the sign in/out book. Your child will need a lunch on the day of the party.
- If you haven't already please take a moment and complete a new Identification and Emergency Information form. Please visit our website

www.adventuresinlearning.com to print a form.
