

YELLOW SUNSHINES CLASS NEWS JUNE

Look what we've learned!

The Sunshines sprang into May and we have been learning so many new things! Our themes were "All about moms", "Weather" and "Sky and Space". We had so much fun making mother's day cards, painting rainbows and shooting stars! We also have been practicing saying our first and last names. The sunshine's have also been working hard on learning soft touches and using their words.

What we are learning...

We are super excited to start our summer program! Take a look at what we will be learning about...

- Our themes will include "All about dads", "Water", "wild West" and much more!
- Letters Uu, Vv, Ww and Xx
- Touching different textures
- Counting 1-10
- Learning and talking about kindness and caring
