

BLUE BIRDS JULY CLASSROOM NEWS

Look what we've learned!

In June we learned all about our dads in honor of Father's Day and made a special card. We also had fun playing instruments during music and week. Our summer program started on the 20th and we have enjoyed learning about the ocean.

What we are learning...

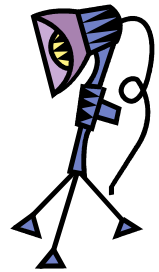

In July, we will be learning about the jungle, dinosaurs and outerspace. We will be decorating snakes and making a q-tip dinosaur skeleton. We will continue to practice tracing our names and cutting with scissors. The letters we will review are F-M. For sensory we will explore with sand and water. We will be having much fun! Please read your summer calendar as well as our class lesson plan to keep up with all the fun activities planned or check the calendar on our website by visiting www.adventuresinlearning.com

Superstars!

- We are excited to welcome Kaitlyn, Emily and Aryan from the sunshine class.

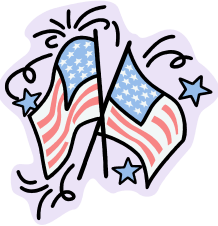

Thanks

- Azucena for bringing special snack to share with the class.
- Dalton for bringing treats bags for his friends on his birthday.
- Also, big thanks to all the families who joined us for Family Night at Chuck E Cheese we had a great time.

Reminder!

- Please! Please! Make sure your child has extra clothes in their cubby. Especially pants and underwear.
- You must always sign in and out.
- When picking up or dropping off in the playground always use door by front bathroom do not use cubby room door. This will help staff monitor who enters and exits the playground.

BLUE BIRDS **JULY** **CLASSROOM NEWS**

- Water play begins Thursday, July 7th. All children must come dressed in their water clothes and ready for water play. All children need a towel and closed toe shoes that can get wet. Make sure all clothing is labeled with your child's name.
