

# YELLOW SUNSHINES JULY NEWSLETTER

## Adventures In Learning - Orange

### Look what we've learned!

In the month of June, the Sunshines learned about water and how important water is. We also talked about Dads and how special they are. They enjoyed making a special gift and card for their Dads. The children enjoyed playing with water painting cups on the walls and getting a little bit wet. Together we also made different color Kool-Aid drinks, lemonade, and chocolate milk. We also reviewed all colors, shapes, and numbers 1-10.

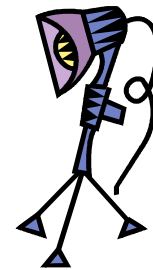

### What we are learning...

For the month of July, we will be offering our special summer camp program. There will be all kinds of special visitors and activities. Please print your calendar and post it somewhere handy. For the month of July our special events and visitors are Parade, Fire Dept, O.C. Parks, Park Ranger, Whatever Little Pony, Bike Day, and PJ Day. Every week we would like the children to dress up to match the week. We have lots of art activities planned like treasure maps, star collage, fireworks, visors, etc. The children will enjoy water days every Thursday. All children must come dressed in their swimsuit and ready for water play. All children need a towel and closed toed shoes that can get wet. Bring a change of clothes, shoes, and a plastic bag to put it all in. Please remember to label everything.
