

YELLOW SUNSHINES AUGUST NEWSLETTER

Look what we've learned!

In the month of July, we continued our special summer program! We celebrated the Forth of July with a Red, White, and Blue Parade! The Sunshines learned about Oceans, Pirates, and Mermaids as well as What we see and do at the Zoo. Then the children ventured into Wild Wild West, and Outer Space. There were many special events and visitors including the Orange Fire Dept, O.C. Parks, and Park Rangers and Vehicle, Pony Rides and Pictures, and Bike Day! We also had lots of fun getting ourselves and our friends wet during our Water days! The children played in play dough, water, shaving cream, and hay. They made lots of arts and crafts like: hats, spaceships, mermaid necklaces, treasure maps, streamers, shakers, tumbleweed collages, star collages, and solar systems. The Yellow Sunshines reviewed all of their colors, shapes, and numbers 1-10.

What we are learning...

For the month of August, we will conclude our summer program with Dinosaur week, Knights and Dragons, Jungle and Rainforest, and Circus, Circus Everyone. More visitors and special events will include the Lizard Wizard, Orange Police Dept, and Stardreams Performs for us. We will also continue to have water days on Thursdays until Sept. 1st. We will conclude our summer program with Carnival games. The Yellow Sunshines will be making dino prints, crowns, masks, rain sticks, and clown faces. The Sunshines will be working on sharing and being nice to our friends. They will also review our colors, shapes, numbers and ABC's.

Superstars!

- Nathan is now potty trained at school.
- Melody comes to school with a smile.
- All of our Sunshines are having lots of fun with their friends and all of our special activities.

Adventures In Learning - Orange

- Donations:
- If you would like to donate some small items for prizes for our carnival day to give out to the children, please have them here by August 19th, Friday.

- Thank you to Brayden's mom and O.C. Parks for their special visits and activities and gifts for the children.

- The summer is very messy and wet, please make sure your child has a change of summer time clothes in their cubby.

- It will continue to be hot through out the summer. If you would like to provide a water bottle for your child, so they can stay well hydrated - please label it and put it in your child's cubby and let your child know it is in there.

- Please parents apply sunscreen on your child every day before you come to school.
- Please pack an ice pack and spoon in you child's lunch everyday.

Yellow Sunshines's Book Club
