

YELLOW SUNSHINES SEPTEMBER NEWSLETTER

Look what we've learned!

We had an amazing summer this year!! We were able to ride our bikes from home and getting wet outside was a big treat that all the children enjoyed. They also liked dressing up for the different themes we had like Red, white and blue day, pirates and mermaids, favorite jersey and hat, cowboys/girls, aliens, dinosaur shirts and camouflage, princess and prince. The best dress up day was Pajama day! We had so many interesting visitors come to Adventures In Learning and show us many cool things. These visitors included: Police Officer, Dancers from Stardreams performed, Two Dental Stories, Lizard Wizard, What Ever Little Pony pictures and rides, Swim Safe Presentation and stories, Orange Fire Dept, Officer McGruff, O.C. Park Story and Art and O.C. Park Rangers and SUV.

What we are learning...

In the month of September we will be talking all about ourselves and how special we are. We will talk about how we are the same and how we are different. We will be getting to know each other through the month of September. We will also be talking about feelings, emotions, and my five senses. We will start working with colors, shapes, numbers, and ABC's. Our other focus skills are:

Language and Letters - Recognizing and naming body parts, introduce A, B, C song, practice saying first and last name, and Letter A.

Nursery Rhymes - Jack and Jill, and Peter, Peter Pumpkin Eater.

Cognitive - Recognizing body parts, recognizing colors.

Sensory - Dumping and pouring, textures/touch, sound, taste, smell.
