

YELLOW SUNSHINES CLASS NEWS SEPTEMBER

Look what we've learned!

Our summer was amazing! We had so much fun with the visitors that came to our Preschool from officer friendly to the lizard wizard. We also did many fun activities outside from easel painting, sea shell hunting in the water table, making clown hats, painting bandanas and playing starfish bean bag toss. In class we did a great deal of cooking recipes like the banana rockets and red, white and blue kabobs. The Sunshines have been practicing counting from 1-10, they loved learning the "1, 1, get the job done" song. For some of our slow to warm children we are now comfortable saying the names and the sounds of the alphabet during group time. Identifying colors have been a skill that the Sunshines have been trying to accomplish all year long and I think we can say hooray! The Sunshines did it. Our little Sunshines have learned so much this year. Miss Jackie and I still can't believe that it has gone this fast.

What we are learning...

For the month of September Ms. Jackie and Ms. Crystal have so many exciting activities planned we can't wait for it to be here.

- We will be going over the alphabet song.
- Our nursery rhymes for the month will be Jack and Jill.
- We will also be working on recognizing body parts with games and songs like head shoulders knees and toes, place your bean bag on your ? and can't sit still.
- Our little Sunshines will be doing a lot of activities that have to do with dumping and pouring and our scenes.
- For the month of September we will be focusing on self help skills like pushing in chairs, waiting in line, and cleaning up after ourselves.
- We will also be working on classroom rules for example: sitting during group time, going from one activity to another and learning our classroom signs.
