NOVEMBER 2011

Tustin

Look what we've learned!

October has been such a fun month had lots of activities and learned so much. We learned about fall and all the colors of fall, like red, orange, yellow, and brown. We practiced hearing our sounds and letters A, B, C, D and E. Our rhyme for the month was Peter, Peter pumpkin eater and had lots of fun singing fall and Halloween songs to go with it over the past month we did a lot of fun activities about self-awareness, like a game called mirror, mirror. We also learned how to use our words with our friends. It was lots of fun trick-r-treating and playing games and dressing up in our costumes for our party. October was such an exciting month and we're so excited for what's to come in November.

What we are learning...

The month of November is a sign of the year quickly coming to an end and with that are lots of fun new things to learn.

- We will be working on recognizing shapes.
- Our focus letters will be F, G, H and I.
- Our rhyme for the month is Rain, Rain Go Away.
- We will be working on drawing fall things.

We will be sending a paper bag home once a week with the letter of the week on it. You can take home the bag home and bring back with anything you find that starts with that letter. It will be fun and great learning game at home as well

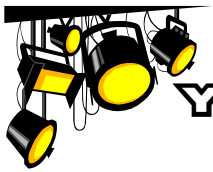

We like to give a BIG thank you to all the parents that helped make our Halloween party such fun with all the donations and the volunteers that helped with trick-r-treating it was such a huge success. We appreciate and are grateful for all you do.

Superstars!

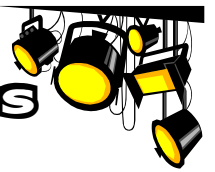

- A BIG high Five to La'Shay for going potty in the toilet. No more diapers! Such a Big Girl
- A BIG high Five to Carter for learning to use his words and tell his friends how he feels.
- A BIG high Five to Mia, Penelope, Brandee and Vanessa for recognizing their name.
- We want to give a big welcome to Praneet, Zachery and Aiden to the sunshine room.
